EMERGENCY ALARM SERIES

Hikvision's Emergency Alarm Series includes Pole and Box Panic Alarm Station designs. Each panic alarm stations is designed with 1.3 MP HD cameras and dual network ports. They are equipped to broadcast information, turn sirens on and off according to a schedule, provide voice intercom, link to surrounding cameras, and much more. These public panic alarm systems put alarm services in public hands for the first time, dramatically enhancing social stability.

KEY FEATURES

The emergency alarm products can be deployed across urban areas, providing the society with faster and more effective emergency services, effectively deterring criminals, and bringing a safer community.

SOS Button
